Zurück zu den Nationalstaaten oder gemeinsam, sicher und nachhaltig die Zukunft gestalten?

Europa und die Welt stehen im 21. Jahrhundert vor der Aufgabe, große Veränderungen zu bewältigen, die durch Treiber wie Klimawandel, Globalisierung, Digitalisierung und Demografie beeinflusst werden. Die Fragestellung, die im Zentrum des Jugendforum 2023 steht, heißt: Wie kann es uns als Gesellschaften gelingen, angesichts dynamischer Veränderungen demokratische Grundwerte wie Freiheit, Toleranz und Solidarität zu sichern und zu stärken und zugleich Wohlstand und Sicherheit für alle zu fördern? Was dich erwartet: Workshops und Diskussionsrunden unter Beteiligung von Spezialisten und Repräsentanten der Politik, Sightseeing und mehr Freizeitaktivitäten mit Lions, LEOs und anderen Jugendlichen. Neugierig geworden? Wir freuen uns auf deine Bewerbung! Auch Junge Menschen aus Ländern außerhalb Europas sind zugelassen!

For a better world! We visit sightings in Norway/Østfold/ Akershus/Oslo that have helped our country to where we are today, parts of Norway's everyday life and culture.

This means there will be both outdoor activities and guided tours at historic sights. Bring warm and waterproof clothing, as well as ordinary summer clothing and good footwear. You don't need to be in top physical condition, as long as you enjoy outdoor activities

At the end of the camp the students will perform in "The Final Show" for the host families in which the students are free to show something from their own country, or another talent they have.

We encourage the students to bring an instrument or check if their instrument might be available at the camp.

Ridderrennet was founded by the Norwegian blind skier and musician, Erling Stordahl, and has been organized every year since 1964. Every year a total of 400-500 skiers with impairments take part; beginners as well as experienced skiers, from many different countries.

#### (Camp Activities)

The camp will take place at Strandenga, a beautiful camp site on the shores of lake Mjøsa.

Through excursions we will explore Mjøsa's role in the community. We will learn about the ecology of the lumber industry, from small plants to building materials. We will visit timber constructions, such as the building of the world's tallest wooden building.

We encourage the participants to show and tell how environmental preservation is practiced in their home country. Nobody needs to be super fit, but we think the camp will appeal to those who loves the outdoors – no matter the weather.

Program; Each day at the camp will offer a different approach. Our goal is that the participants return home with a bigger picture of how to care for the environment, and each other.

A Lions international youth camp will always encourage the participants to learn from each others cultures. Hopefully, we will develop long lasting friendships and contribute to a better environment.

What to bring; Pack warm clothes (wool), rain gearing, summer clothes, good shoes and a good pair of hiking boots

İstanbul is a city with famous for its own culture and history. There are lots of historical places and tourist attractions to see. Families will take them to these places also they will experience Turkish family culture...

#### (Camp Activities)

Did you know that cooking can help soothe stress, build self-esteem and curb negative thinking by focusing your mind on following a recipe? Imagine having a week-long cooking class in a gorgeous metropolis with your soon-to-be best friends, then adding some more summer-time fun activities, and finally, season it with casual chitchat over a cup of Turkish coffee... and voila! You've got Delightful İstanbul. Comprehensive gastronomic workshops, tastings, and even giving you all a chance to shine behind the stove. Afraid you're gonna burn something? No worries!, we even planned a full-day Firefighter Training where you get to dress up(yes the whole bunker coat and helmet) and learn how to handle the flames. Ever had a Turkish coffee fortune reading? Well now not only you will get one, but you will also get to learn the occult art behind it. These and many more, with a Cook-Off on our last day of the camp where you'll produce a fusion masterpiece with your cooking partner will all be a part of your journey with us.

Special Requirements: This camp is for people who not only like to cook, but also are willing to. You'll be expected to cook(whether it be by yourself and/or helping out your fellow campers). This camp is not for you if you're a picky eater, on a strict diet(whether by choice or necessity), or have a medical condition that forbids you from consuming a wide range of food options.
